when ozzie nelson died in 1975 he was no longer a household name for a guy who had created the longest running tv sitcom in history invented the rock video and fronted one of the most successful big bands of the 1930s it s baffling that nelson has faded so far from american media memory larger than life offscreen an attorney college football star cartoonist songwriter major band leader ozzie created a smaller than life tv persona the bumbling average dad who became known to the rock generation which included his teen idol son rick nelson as the essence of blandness but america also saw ozzie as their iconic dad not a father knows best since his pontifications usually proved flawed by the end of each episode but the father who tried his best this book is the only full length biography of ozzie nelson since he published his memoirs in 1973 it treats the big band and early tv icon with affection and hints that american pop culture may owe more to ozzie than is generally acknowledged

john truby is one of the most respected and sought after story consultants in the film industry and his students have gone on to pen some of hollywood s most successful films including sleepless in seattle scream and shrek the anatomy of story is his long awaited first book and it shares all of his secrets for writing a compelling script based on the lessons in his award winning class great screenwriting the anatomy of story draws on a broad range of philosophy and mythology offering fresh techniques and insightful anecdotes alongside truby s own unique approach for how to build an effective multifaceted narrative truby s method for constructing a story is at once insightful and practical focusing on the

hero's moral and emotional growth as a result writers will dig deep within and explore their own values and worldviews in order to create an effective story writers will come away with an extremely precise set of tools to work with specific useful techniques to make the audience care about their characters and that make their characters grow in meaningful ways they will construct a surprising plot that is unique to their particular concept and they will learn how to express a moral vision that can genuinely move an audience the foundations of story that Truby lays out are so fundamental they are applicable and essential to all writers from novelists and short story writers to journalists memoirists and writers of narrative non-fiction
